

REGULATIONS

Owen Motoring Club are pleased to offer you the Tony Matthews Classic Tour as part of the HRCR HAGERTY AND MONIT series of scenic tours on **Sunday 17th July 2022**.

The tour has no competitive element and will be run under a Motorsport UK Certificate of Exemption for touring assemblies. The 110-mile route (approx.) will be defined by a tulip road book that will also contain maps. Whilst on the same 118/119 maps as last year you will find the route varied, interesting and very scenic. There will be manned, and unmanned passage checks on the route.

The start and finish venue is The Great British Car Journey, Ambergate Derbyshire DE56 2HE. We were made most welcome last year and there is plenty of space for parking including trailers. If you wish to leave your classic along with the trailer in a secure compound the night before the event, then please contact the venue direct on 07932 584088.

Morning and afternoon halts will be with tea/coffee and maybe some cake!

At the lunch halt refreshments can be purchased or you can consume your own.

The entry fee is £90 and includes the above refreshments, a tour plaque with cable ties, a colour road book, and a tour memento. Please advise on the entry form if you require trailer parking. Maximum number of entries is 60 and minimum is 40 and the organisers reserve the right to cancel the event if the minimum number of entries is not reached.

Cost of any entry cancelled before the 26th June will be refunded less £10 administration fee. There after refunds will be at the organiser's discretion.

Entries are open from 15th January and will close when full or Sunday 10th July. Please complete both entry and indemnity forms online at www.owenmotoringclub.co.uk

Organisers
