(March 2023 - Issue No. 99)

Welcome to the March edition and not long now before we alter the clocks and start attending weekend and evening classic car gatherings. I attended Race Retro where a 35-year-old Ford Sierra Cosworth RS500 with a mileage of just 5,500 was auctioned and reached the amazing price of £540,000. With fees added to this price its total was an unbelievable £596,250 which was well over the £132,750 paid for a similar RS500 last year!

Regs are now available for the Cannock Chase Tour which will take place on Sunday 25th June 2023, this local event is for Modern & Classic cars. Promoted by Wolverhampton & South Staffordshire Car Club and supporting The Community Foundation for Staffordshire. The start will be in Lichfield again with the finish venue near Cannock Chase and 90 miles in total.

Click the link for an online entry form or contact the Entries Secretary Heidi Rula on 07590 580733 (before 8.30pm).

Derrick W has booked and paid for a stand at Lichfield Cars in the Park which is on Sunday 2nd July 2023. We have a pitch for 20 club cars and the gazebo.

Please contact Derrick via the following email if you want to take part at this very popular show [dwallbank59@gmail.com](mailto:dwallbank59@gmail.com)

Just a reminder that **Wynn's Specialist E10 Protector Multi Shot** is widely available now and helps combat the damaging effects of E10 fuel, alleviating corrosion and friction to help optimise your car's performance and driveability.

We were recently contacted by David who is working on a new BBC series focused on restoring all kinds of vehicles from classic cars to tractors, motorbikes, go karts and push bikes. They are looking for people with heart warming and engaging stories behind the beloved vehicle they are so desperate to get back on the road. Perhaps you might be searching for the first car that you wish you'd never parted with, or the car that took you to your wedding, or perhaps even the bike you raced as a child. If you think you have a vehicle that fits the bill, please contact him on [castingcars@southshore.uk](mailto:castingcars@southshore.uk) with a short summary of the vehicle and what it means to you, any photos would be a bonus!
