

## Stage Viewing

We have two viewing zones, Zone 1 giving good views in front of the house and into the centre of the park including hair pin turns at Junct. D. Zone 2 is a lot larger and gives views of the water splash (Stages 3,4,5,6,7,8), the centre park at hairpin at Jnct. C and chicanes. At A & B. For 2024 we have again included the new spectator area, the raised balustrade located at the side of the House, access is through the car park and gate at the front left corner of the house. This gives elevated viewing of the chicane & turn at Jnct. B on all stages. Please do not sit or climb onto the raised walls and do not enter the park gardens.

**Access to the service area will be allowed through Spectator Zone 2 only & may be restricted if overcrowding occurs.**

**Toilets:** Located in the courtyard, Spectator Zone 1 & 2 and the service area.

**Catering:** Located in Spectator zone 2 and service area & and Weston Park Courtyard area near to Spectator crossing 1.

**First Aid:** Located in Spectator Zone 2, if you require First Aid outside this area please contact the nearest event marshal who will request assistance.

We have set the park & stages up to ensure you do not have to walk on any Special Stage.
