(February 2026 - Issue No. 134)

February has finally arrived and 2026 classic car shows are popping up all over the place. Looking forward to August I need your help on this one please as we have a date clash. Following last year's fabulous day out at The Gold Cup Meeting, Oulton Park we were planning on displaying for two days on Sunday & Monday 30/31st August, but this now clashes with the usual New Hall Mill event. To confirm our booking with Oulton Park I need to know quite soon who is interested in displaying on Sunday 30th and/or Monday 31st August. We need around a dozen cars each day for our display. It is best to get these dates on the calendar asap so when I have the indication of interest I will report back with date(s) booked. Please either reply to this email or text me on my usual number.

Our annual Owen Motoring Club Annual Awards Presentation will take place on Saturday 28th February 2026. It will be held at our usual meeting place, the Aldridge Conservative Club, with admission from 7.30pm.

Tickets are £10 per person, and this includes a buffet meal. Please contact Clare asap for your tickets.

There are still a few spaces left for the scenic car tour in support of Kidderminster & Worcestershire Prostate Cancer Support Group. It is on Saturday 4th April 2026, a 150mile driving adventure around the very edge of Worcestershire with amazing views of Worcestershire as well as Herefordshire, Gloucestershire, Oxfordshire, Shropshire and the West Midlands.

For your minimum donation of £40 (paid on the day) you will receive a tour pack containing a tulip route book, a 'self-cling window sticker, a not very posh key ring plus a delicious breakfast bun & hot beverage for the driver & navigator.

The start venue is Wolverley Memorial Hall Cafe, nr Kidderminster DY11 5TN.

The finish venue is The Manor House at Whittington, nr Kinver DY7 6NY.

As you probably know our AGBO Rally takes place at Weston Park on Sunday 22nd March. Richard Statham has kindly offered to organise a classic car display in front of the main house which gives great viewing for the rally. This does involve an early gathering as the cars have to be in position before the main spectators arrive which will be just before 8.00am, however it does give you free admission to the rally. If you want to display your car or would like further details, then please drop Richard an email on rjstatham1@gmail.com

Myself & Elaine are hoping to be at the Cromford Steam Rally again on Sunday 2nd August with our classic cars. It is a good show that takes place in two large fields with lots to see. There are displays of classic working plant vehicles, lots of classic cars, bikes & tractors, parades in the main arena plus a great display of traction engines. Also at the 2025 event was an olde tyme fair, the wall of death, fairground organs and of course hot & cold refreshments. If anyone fancies joining us, then we could meet up somewhere before the entrance then display as a club with a couple of flags and a banner. It is at Highacres Farm, Dewey Lane, Brackenfield, Nr Matlock DE55 6DB.

Derrick Wallbank has kindly offered to organise the Walsall Arboretum and Himley Hall Shows again, he has also sent me details of another show in August which is the same date as one that Anton sent me. August is shaping up to be a very busy month! Derrick's is the Clungford Classic Motor Show and Anton's is one near him at Nether Whitacre.
